TECHTEST4@gcgasia

Your Google Authenticator Code will appear here

# Important Notes

1. Never share your Google Authenticator QR code with other people.
2. Never share your Google Authenticator device with other people.
3. Keep your Google Authenticator device with you at all times. You will need it for every login
4. If it is your first time activating Google Authenticator on GCG ASIA's membersite but our system does not show the Google Authenticator QR code, please contact our customer service executives with your registered identification proof for a reset.

Registered identification proof required:

- a. Image 1 : To show requestor's entire face(front) while holding legal identification (ID/Driving license/Passport)
  - b. Image 2 : To show requestor's face(front) while holding a piece of paper indicating the date of request
5. Should you need to change your Google Authenticator device, please contact our customer service executives.
